
OBJECTIVES, BENEFICIARIES, ORGANISATION

To raise awareness of the role of the CAE component. To deepen characteristics, functioning and relations in a TNC and learn tools and techniques to acquire and manage information. Promoting the role and functioning of the EWC and to enhance their effectiveness through a conscious understanding of the tools and their areas of intervention, to support the action of trade unions in perimeter of multinational companies.

The course is devoted to EWC members on the Italian territory.

It is organised in two and a half days, at Forum, the trade unionist school of FILCAMS, which is in Rome, in Via Leopoldo Serra 19.
